Shaken is a book that recounts a story that could have taken place anywhere in the United States. Don grew to become a man who took advantage of the American dream, rising to the top of his industry in short order, and earning income that others could only imagine. Don t misunderstand me; no one would refer to Don as an angel. Those who know him well would validate Shaken as an accurate documentation of a real person, dealing with real issues, struggling to undo the past. He served as the Chairman of the Board for the Sierra Council on Alcoholism and Drug Dependence. He is a devoted family man who is also active in his community to help change lives.
