Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

INFIDEL: LEGENDS OF THE MEN OF IRON BOOK ONE

Saint Clair Publications, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Many great and horrible things are blamed (or credited) to the Knights Templar, but the reality is, these men of old were credited with the work actually performed by the Silent Hand of God. These nobles were once part of the Great Order, but knew the task of guiding the world away from the influence of the Church was the highest calling a man could undertake. Sir Knights Asher Greyson, Lucian Poltare, and Anton Brookes, were the true molders of destiny and the only ones who knew the secrets the Church would kill to protect. They were the Inner Circle; they were the Silent Hand of God - not the Templars, Freemasons, or the Church. Discover the truth leading up to the conspiracy that was the foundation for the great Howard Pyle's Men of Iron. Author Kent Hesselbein has always been influenced by the tales of chivalry and noble acts outlined by this great classic author. While Pyle's tales were written for a younger audience, this series is a dark homage to his work.
