Brand New Book ***** Print on Demand *****.How to Become an Expert at Writing eBooks Table of Contents Introduction Identifying the Title and Topics Sources of Information How to Maintain High Quality What to Do When Writing E-Books What You Must Never Do When Writing E-Books Conclusion Author Bio Publisher Introduction The number of people writing e-books has increased tremendously over the past few decades. Some people manage to write several e-books while others write one or maybe two books only. Even those who ve published several books still find it quite hard to maintain high quality standards while at the same time achieving their objectives. Have you ever wondered why some people become successful e-book authors while others aren t successful? Some people also find it quite easy to get ideas on the title and topics to write about while others find it hard to do so. Even if you know what you want to write about, you might still find it difficult to get sources of information about the topic. If you re keen on becoming an expert at writing e-books, there are several things you have to know. You must know where you re going to get information pertaining to that book, how you ll get that information and how you ll use the information to write the e-book. All successful e-book authors also have to be capable of handling the logistical challenges involved in writing e-books. If you re so much interested in becoming a successful e-book author, you need to start by reading the book How to Become an Expert at writing e-Books. This book contains everything you ll need in order to start writing an e-book about anything. After you...
