Thinking on the Page will also help you: \* Think critically about what you're reading and draw questions and ideas directly from the text \* Approach your essay as a story rather than a formula \* Work through your ideas by graphing, listing, charting, and drawing \* Incorporate relevant outside research \* Edit your final essay and polish it to perfection Whether you're in college or high school, you need to communicate your ideas effectively through writing. Thinking on the Page provides innovative tools tailored to the way you learn and write, enabling you to produce thoughtful, analytical, and meaningful work, both in school and beyond.
