But in Bangladesh bureaucracy represents adismal picture and suffers from various ills. Standing on the threshold of the 21st century when thewhole world is experiencing cataclysmic change in the sphere of political transformation, economicglobalization, technological innovation, media revolution and rapid growth of the nation states- it isnow quite exigent to rearrange or reorganize the state machinery for coexisting with the changedworld order. In consonance with the changes- the role, function and responsibility of bureaucracysould be devised in a way that it can ensure its productivity and efficiency by creating an enablingcondition for development. Absence of efficiency, transparency, accountability, representationalpolitical culture, institutional weakness of political, social and economical apparatus and malfunctionamong those systems has made the bureaucratic system in Bangladesh despicable...
