Chester Press, Canada, 2008. Paperback. Book Condition: New. 203 x 89 mm. Language: English . Brand New Book. With hundreds--make that thousands--of different winegrapes currently available on store shelves, it s impossible for the average wine buyer to make sense of it all. There are the standards: Cabernet, Chardonnay, Shiraz, but what if you want a change? This Winegrape Primer is conveniently pocket-sized and covers nearly three hundred grapes and wine styles. Each entry includes a short profile of the grape, its history, its sensory characteristics, plus food matching suggestions. The Primer also includes extensive cross-references plus a simplified guide to Old World wine regions. Given today s fast pace of life, general state of information overload, and global wine market, this book is just the thing to help you quickly look up a grape or wine, even while shopping for wine.
