## GOODBYE, JANETTE

Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. A dynasty of women triumphs in the fiercely male-dominated world of high fashion amid the ruins of war. A daughter honors her mother's ultimate sacrifice by becoming a ruthless businesswoman who will stop at nothing to raise high her family's name. Another daughter seeks to flee the toxic legacy of her family and live in peace. And both daughters have a date with destiny in a vault filled with Nazi gold treasure that will alter the courses of both their lives. Goodbye, Janette is a late masterpiece by Harold Robbins, America's most commercially successful and era-defining author of pulp fiction. The creator of erotic and ferocious turbocharged narratives of the soul-stricken rich and famous, Harold Robbins was in his day a close runner-up to Shakespeare and the Bible in numbers of books sold. Today his ability to create an unstoppable, mesmeric tale someone famously said about him, In Harold's books, the pages turn your fingers pushes him to the front ranks of pop novelists as new generations discover his awesome power. Epic and intimate, moving from the icy nighttime streets of the Nazi occupation to the decadent beaches of St. Tropez, from the showrooms of Manhattan to the runways of Paris, Goodbye, Janette is a hypnotically gripping, mythic family saga of the power of blood to bind, to oppress, and finally to set free. Full of the shocking U-turns and unexpected revelations that make Harold Robbins a master storyteller, Goodbye, Janette transports the listener to a chic, dreamlike world where everyone wants an all-access pass but the penalties for staying may be severe.
