## Practitioner's Guide to Gall Bladder Stones & Kidney Stones

By Shiv Dua

B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Practitioner's Guide to Gall Bladder Stones & Kidney Stones, Shiv Dua, This is a treatise on the scope of homeopathy in the surgically hailed conditions of biliary and renal calculi and beautiful accounts of the anatomy, physiology, homeopathic treatment and dietary restrictions. The author also goes a long way in removing some of the age old misconceptions relating to gall-bladder and renal diseases and it is hoped that this work will be appreciated by all those who understand logic. Primarily, any calculi - renal or gall, has long been an object of surgical intervention under the modern system but homeopathy has a lot to offer. Not only can our remedies be tried for pain management, they can also be sustained for dissolution or passage of stones against odds. It is only a matter of faith that people who have been cured of these dreaded conditions preach the virtues and advocate their use for the well being of humanity. A damn good read, this book successfully achieves in clearing doubts regarding applicability and educates the patient about his condition.
