In this book, we re talking about people dealing with problems such as incest, molestation, runaway kids, child abuse, drug abuse, polygamy, unemployment, scandal, starting over, self-confidence, self-esteem and workplace issues. Then there are my guests dealing with difficult physical struggles such as blindness, cancer and birth defects that are beyond traumatic. My guests have all been exciting, eclectic, and energizing. They have amazed, amused and even astonished me. I have adored getting to meet them and share them with you.
