## WOMAN S HEART: AN OWNER S GUIDE

Prometheus Books, United States, 2008. Paperback. Book Condition: New. 297 x 211 mm. Language: English . Brand New Book. In this invaluable and engaging guide to the woman s heart, two leading heart specialists focus on the unique factors affecting women s cardiovascular health. Writing in language that is completely accessible to the general reader, they provide crucial, potentially life-saving information and guidance to help women monitor their own heart health. Among the topics discussed in clear, easy-to-follow language are: - In what ways is a woman s heart different from a man s? - How do pregnancy and childbirth affect the heart and circulation? - What are the symptoms of heart disease in women? - What are the most prevalent diseases of the heart among women --including mitral valve prolapse--and how dangerous are they really? - What cardiac tests should women be taking? - When are medications enough and when is surgery necessary? - How is the heart affected by menopause and aging? - What are the future prospects for improving heart health and treatment for women? For both healthy women and those already coping with heart disease, this comprehensive owner s manual on the female heart provides essential information for living life to its fullest.
