### ***Reviews***

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).*

FABER FABER, United Kingdom, 2015. Paperback. Book Condition: New. 216 x 135 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Bohemian Girl (1988), Frances Vernon's fourth novel, transports us to 1890s London to meet the young Diana Blenthams, whom Vernon first introduced to readers - as a celebrated grande horizontale - in the opening pages of her 1982 debut Privileged Children. Diana fears that the lot of an intelligent woman is to simply be married and never again open a book. Her father wonders - not incorrectly - if Diana's brains may lead her to some grave lapse in good behaviour. So it comes to pass one day when, riding on her bicycle in Battersea Park, she knocks over a handsome Irish painter. A pretty, witty little parable about Victorian values, and the hazards of being female and intelligent in a country as sexist and anti-intellectual as the United Kingdom. This romance has teeth. It bites the eternal issues of class, and sex, and freedom. (Philip Howard, The Times).
