Arcadia Publishing (SC), United States, 2003. Paperback. Book Condition: New. 239 x 166 mm. Language: English . Brand New Book. Located on Florida s Gold Coast, Lauderdale-By-The-Sea is noted for its beach activities, living reef system, and family-oriented lifestyle. The quiet beauty of the sea and sand amid friendly low-rise lodgings and quaint stores and restaurants draws visitors to this thriving paradise year-round. Lauderdale-By-The-Sea developed slowly around the original platted land set down by William F. Morang in 1924 as he and others promoted a land boom. The completion of the Flagler Railroad by 1900 paved the way for regional growth. Lauderdale-By-The-Sea lacked a railroad terminal and remained undeveloped in the early years. Melvin I. Anglin pioneered in chartering the town in 1927 and became its first mayor. Two hurricanes and the 1929 stock market crash burst the real estate bubble, leading to the demise of the charter in 1933. In 1947, citizens drew up a new charter that was certified by the state legislature two years later. Construction of the Anglin Pier in 1941 and the Commercial Boulevard Bridge over the Intracoastal Waterway in 1965 broke down the isolation of the town. Annexation of the unincorporated area north to Pompano Beach completed its growth cycle.
