BRAND NEW, The Quantity Theory of Insanity, Will Self, What is there is only a limited amount of sanity in the world and the real reason people go mad is because "somebody" has to? What if a mysterious tribe in the Amazon rainforest turn out to be the most boring people on earth? What if the afterlife is nothing more than a London suburb, where the dead get new flats, new jobs, and their own telephone directory? These are the sort of truths that emerge in this collection of stories by one of England's most gifted writers.
