Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The present volume, containing translations of all the important Ethiopic Legends of the Blessed Virgin MARY, and the companion volume of translations of the Ethiopic versions of the Miracles of our Lady, are supplements to the reproductions of the Lady Meux MSS., Nos. 2-5, which Lady Meux printed for private circulation in 1899. Many scholars and others have wondered how these fine MSS. became detached from the great Makdala Collection which the British Army brought to England in 1868, and how they found their way into her possession. And as they have also asked why she rendered such a signal service to Ethiopic studies by printing the original texts, with English translations and costly coloured facsimiles of the pictures-a work entailing great expense, and one which none before her had undertaken-I print here a short account of the way in which she acquired them.
