Roth Memory Course, A Simple and Scientific Method of Improving the Memory and Increasing Mental Power, is for everyone who would like to improve their memory, whether for business, personal, or study purposes, with such methods as brain games and memory games. While some are fortunate enough to be born with an excellent memory, those of us who were not can learn this skill successfully. The author created this system out of his own desire to improve his memory and improved it dramatically. His friends insisted that he teach them his course; and his career was born. Excerpt below from Lesson One of Roth Memory Course: A Simple and Scientific Method of Improving the Memory and Increasing Mental Power is Roth's personal account, shows how anyone who applies his memory secrets...
