America Star Books, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book The Magical Flower is a tale about the adventures of two Greek children, Nari and Cessius, who lived on the Island of Crete and who were brought up together as neighbors. Having become inseparable, the children learned together to overcome the many obstacles and dangers they faced while growing up. As an example, they learned to deal with issues of separation from each other, personal safety and disfigurement. Nari and Cessius also learned to deal with school bullying and aggression. This experience provided a setting for their later years where love would blossom and their lives would become exemplary. Finally, a magical flower would symbolically represent the true meaning of beauty that became the basis for their life together. Dr. Jerry Guindon is a retired school psychologist who lives in East Lyme, Connecticut. He was born in Cornwall, Ontario, Canada on March 14, 1932. Dr. Jerry, as he was fondly called at school, is a father of three grown children, six grandchildren and three great-grandchildren. He is currently married to Dencie Lathrop and he is also stepfather to her three grown children and six grandchildren. The Magical Flower is Dr. Guindon s second novel. He penned Christine s Ghost in 2008 (Publish America). Although it was mostly fiction, Christine s Ghost was largely based on his nine years spent growing up in a Canadian orphanage along with his three siblings.
