By Rothrock PhD RN CNOR FAAN, Jane C.

Mosby, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Alexander's Care of the Patient in Surgery is the most dependable source for comprehensive perioperative information. Well-known author and educator, Jane C. Rothrock, continues to provide step-by-step instructions for over 400 surgical procedures, including many minimally invasive methods, all backed by the latest research. More than 1,000 full-color illustrations and photos depict current techniques, as well as surgical anatomy and instrumentation. This edition adds cutting-edge information to reflect new concepts for both invasive and non-invasive surgical procedures, whether the location is in a hospital, outpatient clinic, or doctor's office. Over 400 specialty surgical interventions are included, as well as many minimally-invasive surgical procedures. A clear and consistent chapter format makes it easy to find information, including general discussions of surgical anatomy and perioperative nursing considerations, followed by more specific discussions of procedural considerations and operative procedure for each surgical intervention. Cutting-edge information keeps you up-to-date with the latest technological advances related to surgical procedures, both invasive and non-invasive, whether the location is in a hospital, outpatient clinic, or in a doctor's office. Updated coverage includes new surgical procedures and techniques, new care standards, and...
