MANUAL OF DISASTER MEDICINE

Book Condition: New. Publisher/Verlag: Springer, Berlin | Civilian and Military | This book is not a learned treatise. Its purpose is to render practical instruction to all those physicians, surgeons, administrators, and paramedical personnel who have to act in war or disaster situations. As a manual it is in no way a substitute for existing detailed and specialized texts on the various aspects of trauma surgery and management: rather have we attempted to collate the most essential knowledge required...

Reviews

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Angela Blick**

An exceptional publication and also the typeface utilized was fascinating to learn. Better then never, though i am quite late in start reading this one. You will not really feel monotony at at any time of your time (that's what catalogs are for concerning if you ask me).
