Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Kensington Publishing, United States, 2015. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Everything isn't as successful as it appears in the life of hard-hitting civil attorney Maxwell Montgomery, who has his own way of tackling demons from the past. His self-appointed crusade to root out corruption in the church has cost him greatly, and the price continues to rise, as his personal life spirals out of control. His former love is engaged to someone else, and his troubles don't stop there. Maxwell is shouldering an unexpected burden of guilt when he is forced to wonder if his pursuits have landed an innocent man in prison. Instead of dealing with his conscience, Maxwell shoves the emotions deep within and presses on to the next case. Along the way, he amasses quite a list of enemies, including his former paralegal, who is desperately seeking retribution. With the weight of his mission becoming too heavy to bear, Maxwell doesn't know where to turn or whom to trust. Despite his high-flying lifestyle, his past finally catches up to him. Maxwell is still unwilling to surrender, however, until an unavoidable set of circumstances forces him to make a life-changing decision. Having fallen so far, his only shot at redemption is through God's mercy, but will the mighty Maxwell Montgomery forego his pride and accept it?.
