Phoenix Yard Books. Paperback. Book Condition: new. BRAND NEW, Arthur and the Earthworms, Johanne Mercier, Daniel Hahn, Clare Elsom, I'm Arthur and I'm seven, and starting tomorrow I've got a new job: I'm going to be selling earthworms. I started getting interested in worms because of my duck. He lives at my grandparents' house and worms are his favourite food. When I really want to give him a treat, we go worm-hunting together. It rained a lot on Sunday, so we found hundreds! This gave my grandfather an idea. Arthur is a seven-year-old boy who is brilliant at being a seven-year-old-boy. When Arthur visits his grandparents' house by the lake, more often than not, he becomes entangled in a new adventure, which he must solve with the help of his pet duck and useless dog - and hopefully without too much help from eccentric Cousin Eugene. These are witty stories full of understated humour and populated by quirky yet recognisable characters, and narrated by Arthur who has the rational worldview that comes exclusively from being seven-years-old. - REVIEWS - "A great little series for newly independent readers. Short and simple, yet engaging and fun, this is a perfect series for children to try to attempt on their own. The illustrations help break the text and help set the humorous atmosphere. Arthur is a loveable and quirky character who will appeal to both boys and girls" -- LIBRARY MICE. "Mercier's warm and reassuring series about a boy who's brilliant at, well, being a little boy of seven who loves his family and sharing his adventures is proving a popular choice for early readers. Full of understated humour which is so appealing to growing boys. With bold, lovable characters and stories to enchant and entertain, all brought to life by Clare Elsom's quirky...
