Classroom Interviews: A World of Learning

By Paula Rogovin

Heinemann Educational Books, United States, 1998. Paperback. Book Condition: New. 211 x 188 mm. Language: English . Brand New Book. What students can learn from the interview is far beyond the reach of any textbook. Students who might previously have seen teachers and books as the only valid sources of information will enlarge their perspectives, seeking the experiences of family members, neighbors, peers, and people from all walks of life. When children know their own history and culture, they develop self-esteem; when they understand the history and culture of others, prejudice can be reduced. As Paula Rogovin characterizes it, the interview is a way of saying I want to learn from you. Let's stop our busy lives for a moment and rejoice in that learning. In this unique book, Rogovin shares proven techniques for tapping into this rich resource. She shows teachers how they can plan a curriculum based on the interview and develop their own schedules. Examples are offered showcasing how student interviews drive inquiry in social studies, writing, reading, science, math, and much more. And in case these ever expanding boundaries become too overwhelming, Rogovin suggests proven strategies to help students focus questions on topics of thematic...
