

Failure

By Vicki E. Alger

Independent Institute, U.S., United States, 2016. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. The relationship among the federal government, the states, and parents with regard to education is increasingly dysfunctional. Parental control over their children's education has gained impressive momentum in recent years at the state level. Meanwhile, states have been increasingly willing to relinquish sovereignty over education in exchange for more federal dollars. Failure would help bring clarity to these issues by examining whether students and the country better off after 30 years with the Department of Education and suggesting alternatives to an ever-expanding federal education bureaucracy. Part I would begin by examining the development of the current Department of Education, including the legislation that gave rise to it, and the pressure groups that have shaped it. Additional chapters would examine related issues including the arguments for and against the creation of a national education department, its origin, current structure, spending, and growth over time. Part II would examine the results to date against the education department's own standards. These include overall student achievement nationally before and after the advent of the Department of Education as well as international comparisons...

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
