Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Learning to read the names of colors is a great way for children to begin building a sight word vocabulary. This book provides 30 pages packed with activities to teach the 11 basic color words: red, blue, yellow, green, purple, orange, white, black, gray, brown and pink. It includes 22 activity pages for individual colors, then combines colors in 5 additional puzzle and coloring pages. Flashcards and letter tiles are included for children to practice reading and spelling the color words. Written by a special education teacher for beginning readers, this first volume in the Sight Words Magic Collection of workbooks is designed to be copied and used in classrooms or at kitchen tables to teach children to read words that matter.
