Gibson Square Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Diversity Illusion: How Immigration Broke Britain and How to Solve it (2), Ed West, We are supposed to love diversity as the panacea to the problems connected with mass immigration. In this thought-provoking book, Ed West investigates the heretical view that diversity is actual the scourge of our time rather than its saviour. He uncovers how over a period of 50 years successive Conservative and Labour governments have mismanaged mass immigration and have used diversity as the smoke screen to hide their mistakes. Using the latest data on immigration, he shows that diversity is leading to an increasingly fragmented society that believes in everything and nothing at the same time, and lacks the will to deal with immigration in a way that will prevent rather than create problems for future generations.
