

My Name is Book

By John Agard

Walker Books Ltd, United Kingdom, 2016. Paperback. Book Condition: New. Neil Packer (illustrator). 198 x 129 mm. Language: English . Brand New Book. Quirky and humorous, part poetry, part reflection, this is the story of the book told by none other than .BOOK! This extraordinary character begins by reminding us of his origins in oral story and clay tablets, then ponders on papyrus, parchment and paper, and on being a scroll who finally gets a spine. We see Book lovingly illuminated by monks in medieval monasteries, then witness the massive changes brought about by the invention of the printing press, and the coming of paperbacks and eBooks in the 20th century. But Book s not the straightforwardly chronological sort, and can t help musing - and those musings, whether they re on the evolution of the alphabet, libraries, book-burning or blurbs, are delightful and thought-provoking. Sixteen years of reflection and observation have gone into this charming title.
