Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Common-School Geography: An Elementary Treatise on Mathematical, Physical, and Political Geography The progress of geographical discovery, and the numerous changes, political and territorial, that are constantly taking place, have again rendered necessary a revision of this work. Advantage has been taken of this alteration of the text, to introduce into the book an entirely new series of finely engraved Copper-plate Maps, in place of those hitherto contained in it. The division and general arrangement of the Maps remain the same as before, although, wherever practicable, their scale has been somewhat enlarged; while a new, full-page Map of Great Britain and Ireland has been added. The new Maps have been prepared under the direct supervision of Mr. James H. Young, whose long experience and well-earned reputation in this department are a sufficient guarantee of their accuracy as well as of their artistic finish. The addition of a greatly enlarged Pronouncing and Explanatory Vocabulary, and of two pages of Review Questions, will be found, it is believed, to be a valuable improvement. The Treatise on Map-Drawing,...
