The first part is a challenge to the clergy and Sunday School teachers, who under the guidance of the Holy Spirit have the future of the Church in their hands. The Christian Nurture Course which forms the second part, is not another system of lessons. It is the accumulated results of the experiments, discussions, and correspondence of many rectors, who, years. ago, became dissatisfied with the conception of the Sunday School as a place where lessons only are taught. These men sought for the nurturing powers of the Church, confident that when found they would give- joy to the child. They were rewarded. By the Christian Nurture Course the Sunday School has become to many rectors and teachers the Church organization, giving the highest joys in service. The Christian Nurture Course seeks to show methods by which the Standard Curriculum may be applied. While in the main, the Course follows the Standard Curriculum of the General Board of Religious Education, it departs in some detail. The improvement of the Standard Curriculum can only be brought about by a careful testing of its recommendations and an experimentation which will lead to its improvement.
