The famous Analogy is still a valued text-book in the schools of Theology, and an abiding power among the many phases of modern religious thought. And, although later Biblical research and modern modes of attack have made needful other works which have somewhat superseded those of Paley, he will ever hold his place of honour as a great leader in the historical attestation of the Gospel. But it seemed to me best, in the small space at my command, to discuss fully only one line of evidence, this being itself sufficient proof that the Gospel is true, referring to others merely as they lead up to this chief argument. A good popular book on the topic so scantily treated by me is the First Principles of Faith by Marshall...
