The youth came upon a fair huntress in the forest. She enticed him into her web of desire and passion. She was the Artemis the Divine ! Thus it was when the gods took men as lovers. 82013 Long, long ago Artemis and her race sailed to the stars, and seeded many worlds with life. One of these was Sol III. The children of the gods from the stars recorded their myths. They also fostered demigods with them, and came to practice many new arts. The men of the new world in time would also sail into the unknown. A prior edition was published under the title Oracle of the Coast. REVIEWS of the fantasy books by Jerome Brooke have said - . . . This. . . was rather gory at times. Not that that bothers me. I am, after all, a huge horrorslashergore movie fan. Reading it isnt much different than watching it. . . The descriptions are fantastic! The city, the people, the creatures, and the battles were extremely well written and I was able to visualize everything that was described. . . Brooke did a wonderful job of creating a new, strange world and transporting the reader there without coming across as unbelievable. The. . . author wrote with so much raw emotion during certain scenes that I could feel everything the characters felt. And who doesnt love a book that can really make you feel for the characters like that Personally, I felt. . . based on how the story is structured, that much narrative is probably needed. And while there was a lot of action scenes, they felt a bit clunky to...
