Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

DARTH PAPER STRIKES BACK

Abrams. Paperback. Book Condition: new. BRAND NEW, Darth Paper Strikes Back, Tom Angleberger, This is the hilarious, clever and much-anticipated follow-up to the breakout hit, "The Strange Case of Origami Yoda". Tom is an exciting new voice in middle grade fiction. His spot-on portrayals of secondary school and the dynamics that exist between kids are realistic and humorous. He's definitely a rising author to watch. This is the fantastic book for boys and reluctant readers especially. "Publishers Weekly" said Tom's writing included 'spot-on boy banter', "100 Scope Notes" called Yoda 'reluctant reader platinum', and "Fuse Number 8" said, 'It's been a while since I found a book that can truly be called genderless (in that it has wide appeal across the board)'. "Lucasfilm" is enthusiastically back on board with us for the second book. It includes instructions for making your own original origami Darth Vader. Darth Vader is the most popular "Star Wars" character, their 'Mickey Mouse' according to Lucas.
