AFLS Vocational Skills Protocol: The Assessment of Functional Living Skills

By James W. Partington and Michael M. Mueller

AFLS, 2015. Softcover. Book Condition: New. An assessment, skills tracking system, and curriculum guide for skills that are essential for independence. The Assessment of Functional Living Skills program comprises ? The AFLS Guide?A teaching companion that contains task analyses, teaching suggestions, and prompting strategies, and ? Six individually available assessment protocols including Basic Living Skills, Home Skills and Community Participation Skills, School Skills, Independent Living Skills and Vocational Skills. The Assessment of Functional Living Skills (AFLS) has the ease, look, and familiarity of the ABLLS-R extended to necessary skills of independence in home, school, and community settings. In conjunction with the Guide, the Protocols assess skills in different functional areas of everyday life. Each protocol can be used as a standalone assessment, but the protocols are conceptualized as distinct parts of an extended assessment spanning a continuum throughout a learner?s life in home, school, and community settings. Each module is distinct, but is connected by unifying themes and overarching goals for maximizing a learner?s freedom, independence, and opportunities. Individual modules are available separately and other economical bundles are available. THIS ITEM is the Vocational Skills Protocol., which provides caregivers and professionals with information to teach essential skills to learners preparing...
